

EXERCISE 11

Explore Tor network for anonymous communication

Aim: To provide a beginner-friendly guide on accessing and safely using the Tor network for anonymous browsing.

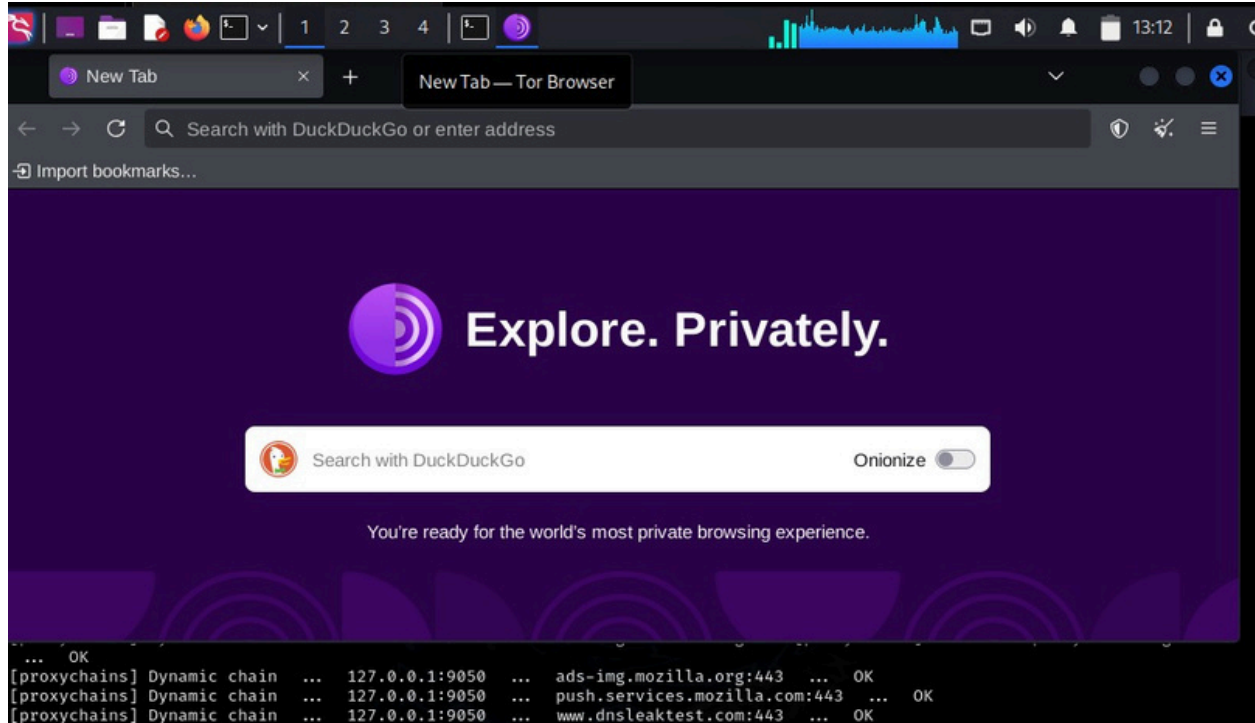

The screenshot displays a learning interface for the Tor network. At the top, it says "Learn > Tor" and features a Tor logo. The title "Tor" is followed by the subtitle "A beginner orienteered guide on using the Tor network". Below this, it indicates "All Easy" and "45 min". A row of buttons includes "Share your achievement", "Start AttackBox", "Help", "Save Room", a thumbs up icon with "879", and "Options". A green bar below the buttons states "Room completed (100%)".

Below the green bar, there are three task cards, each with a green checkmark and a dropdown arrow:

- Task 1 ✓ Unit 1 - Tor
- Task 2 ✓ Unit 2 - Proxychains
- Task 3 ✓ Unit 3 - Tor browser

The bottom section of the interface shows three questions with their answers:

- Question: "Finish the installation." Answer: "No answer needed" (Correct Answer)
- Question: "Launch the Tor Browser and set your privacy settings to Level 2 (Safer)." Answer: "No answer needed" (Correct Answer)
- Question: "What is the search engine at the following onion address: <https://duckduckgogg42xjoc72x3sjasowoarfbgcmvfimalftt6twagswzczad.onion/>" Answer: "DuckDuckGo" (Correct Answer)

Result: Understood the fundamentals of Tor, including installation, configuration, and secure usage practices for enhanced online privacy.
